"The best course I have ever attended. Dr. Zuhr is a fantastic clinician and researcher, who is so willing to share his knowledge and pioneering skills. The training facility is world class. The course is so well organized with great attention to detail."

Patrick Tseng, Periodontist, Chatswood, Australia

"As an oral surgeon, I can say that this is the best soft tissue course I have taken. Based on science and given by a top notch surgeon and person. This will help me better my treatment outcomes. Bravo."

Max Miller, Oral Surgeon, Trois-Rivieres, QC, Canada
