"Dr. Lamb's approach to implant placement is both logical and precise. The emphasis on soft tissue management as part of the placement and restorative aspect is unique."

Craig Henry, General Practitioner, Astoria, NY

"I really like the small groups and allowing questions at any time. The live surgery was great to see methods and materials. Really fun to watch interdisciplinary dentistry live! Thanks Bob great job!"

Nathan Wayment, Endodontist, Bismarck, ND

"This was by far one of the greatest courses that I have taken. The entire program is designed with a personal, intimate touch that inspires success. Thank you, IDEA"

Jeremy Bowen, General Practitioner, Independence, MO
