

## IDEA Alumni Testimonials

Pascal Magne, Dr. med. dent., M.Sc., Ph.D.

### Esthetic Posterior Restorations: Mastering Direct, Semi-direct, and Indirect Techniques

"This course was a Paradigm shift from the way I was practicing adhesive dentistry. Dr. Magne provided a process of being conservative and protecting the dentition. He also provided the tools to accomplish this."

Danute Abriani, General Practitioner, Willoughby, OH

"This is the most valuable restorative course a dentist can take. This reduces or even eliminates all the troubles and complications I used to have when restoring posterior teeth. Once again Pascal - thank you."

Pauline Puno, General Practitioner, San Francisco, CA

"There are not words to describe how amazing of an experience I had. It is a unique facility, but the faculty and staff make it great. Thank you for all."

Fernando Munguia, Prosthodontist, Upland, CA

"IDEA has provided exceptional quality continuing education which I can apply immediately at my practice. I feel I spent 4 days being taught by the best in the subject area of posterior restorations and feel absolutely confident I'll be the most knowledgeable dentist in my area."

Christel Westmorland, General Practitioner, Newport, TN

"This course feels like the equivalent of a trimester at my dental school with material that can be applied on day one and concepts that can be carried on for years to come. Would highly recommend Dr. Magne as an instructor. "

Anthony Deza, General Practitioner, Moreno Valley, CA

"Pascal is an outstanding human being and teacher. He is extremely patient in sharing his knowledge and is very humble. If you are looking to truly understand adhesive dentistry, this is the course for you. Simply one word 'fantastic!'"

Anshul Pangotra, General Practitioner, Stevenage, United Kingdom

"The lecture, the materials and hands-on portion allow you to be fully prepared to apply the concepts learned immediately. The small size of the class allows you to be able to ask more questions and have a one-to-one approach for comprehensive learning. IDEA is a fantastic learning center with the state-of-the-art technology with a personal touch!"

Muriel Law, General Practitioner, Knoxville, TN

"This has been one of the most intense but entirely engaging and career transforming courses I have ever attended. Pascal Magne is an indisputable genius and an extremely generous teacher."  
Gaynor Langley, General Practitioner, London, UK

"IDEA opened my eyes to the possibilities of falling in love with dentistry all over again. The vast knowledge waiting for me as I embark on my IDEA education makes me excited for what my dental practice can be and will be."  
Sheila Roxas, General Practitioner, Glendora, CA

"A very comprehensive immersive four days that met and exceeded my expectations. I cannot recommend this course and facility highly enough; it is the best out there."  
Riten Patel, General Practitioner, Walton-On-Thames, United Kingdom

"I have been in practice for more than 15 years and have always tried to keep up with great, high value, CE. I was expecting a great course... but am returning to my office knowing that these 4 days have forever changed how I will practice. Pascal Magne is passionate and profound. IDEA provided a stellar environment to make that change happen for us. Can't wait for the next course."  
Vanessa Newton, General Practitioner, Marlborough, MA

"The course has been amazing! I have never seen a course with such a great organization and attention. It's definitely a career-changing experience! I wish more people knew about it. You're all doing an extraordinary job. Thank you for 4 fantastic days!"  
Adriana Cordero Wilson, Prosthodontist, New Orleans, LA

"Bravo! Finally, a course that educated you without trying to sell you a million products. A serious course with like-minded individuals. Humility is Refreshing!" -  
Francice Estrada, General Practitioner, New York, NY

"This was an enjoyable, relaxing yet invigorating master class with a group of like-minded, caring professionals. The only attribute that shines more brightly than Pascal's genius is his humility. A definite highlight of my career."  
Stefan Andren, General Practitioner, Falmouth, ME

"When I select workshops/CE, I look for instructors and subject matter that will inspire me to change how I practice. This course did just that. I'm leaving here as a technically better and more mindful dentist and I'm incredibly grateful to Dr. Pascal Magne for this experience"  
Pamela Maragliano - Muniz, Prosthodontist, Salem, MA

"You are the best. Congratulations. I feel great."  
Eduardo Castellanos, Orthodontist, Guadalajara, Mexico
