Pierpaolo “Sandro” Cortellini, M.D., D.D.S.  
Periodontal Regeneration around Compromised Teeth and Implants:  
Theory, Video Demonstrations, and Hands-on

"This course, taught by Dr. Cortellini, was absolutely fantastic. Excellent presentation of information with hands on portion that augmented the learning of the lecture material."

Arlynn Raez, Periodontist, San Antonio, TX

"As an oral surgeon, Dr. Cortellini opened my eyes to surgical procedures and treatment planning that I find truly invaluable and that can be applied to my practice. Thank you."

Matthew Dudziak, Oral Surgeon, Upland, CA

"Sandro is the best teacher I've ever had!"

Andrew Dentino, Periodontist, Milwaukee, WI

"Excellent learning experience of Prof. Cortellini's course at IDEA San Francisco. State of the art facilities and a great step by step instructional teaching of advanced Periodontal Regeneration Techniques which are evidenced based. Well worth the travel from Australia. Thank you to all the staff and instructors at IDEA."

Kian Pin Nicholas Hii, General Practitioner, Elsternwick, Australia

"This is probably the best course I have ever attended. Sandro is so passionate about dentistry. His knowledge is incredible, and the course content was perfectly given and useful for my practice. Thank you. P.S. Thank you for welcoming me into the IDEA family."

Wendy Cole, General Practitioner, Harrogate, United Kingdom

"Dr. Cortellini is an exceptional speaker and educator. Honest and practical protocols, yet strictly adherent to proven literature. And his personality is great! Really enjoyed him!"

Anthony Pitrowski, Oral Surgeon, Santa Maria, CA

"World class educators and clinicians working passionately together to achieve excellence." - Michael Webster, General Practitioner, Kelowna, Canada

"Dr. Cortellini is a virtuoso and IDEA provides the ideal environment for professional instruction on a deep level." Mark Lonergan, Oral Surgeon, Holland, MI

"It is a simple fact that the 3 courses I have attended at IDEA are the only ones having had the effect of significant change in my subsequent clinical practice. After 22 years in periodontics, this is even more so again with Prof. Cortellini's course on regeneration. All is now clear and simply cannot wait to radically change my clinical approaches to different advanced problems."

Jean-Pierre Lacroix, Periodontist, Dieppe, NB, Canada

"I have attended several educational events at IDEA, and I believe that any involvement with IDEA has made a significant difference in my professional life. I have improved my knowledge, technical skills, and most importantly my overall enjoyment in dentistry, along with developing friendships that started at IDEA. Keep up the great work!

David Reeves, Endodontist, Reno, NV

"Many take-home surgical 'secrets' for predictable outcomes can be learned from this master periodontist"  
Grant Jong, Oral Surgeon, Corona, CA

"The best part of IDEA courses is the ability to take the information and directly apply it in practice." -  
Sarah Johnston, Periodontist, Courtenay, Canada

"An excellent course that exceeded my expectations. It was definitely worth the investment in my opinion. I am looking forward to implementing what I learned into my clinical practice. Kudos to Bob, Prof. Cortellini, and the entire team at IDEA."

Michael Whang, Periodontist, Encino, CA

"This was a very well-run course, I learnt the most in this course than I have in any other previous course or meeting. Dr. Cortellini is an excellent teacher and a wonderful person - answered all our questions." -  
Monica Gibson, Periodontist, Edmonton, Canada

"Another outstanding IDEA course from start to finish! Dr. Cortellini is a wealth of knowledge on the topic of regeneration. A must see for any Periodontist."

Tara Habijanac, Periodontist, Calgary, Canada

"The course professor, staff, and accommodations are wonderful. I am looking forward to returning."  
Jeremiah Davis, General Practitioner, Fayetteville, NC

"Dr. Cortellini is an exceptional speaker and educator. Honest and practical protocols, yet strictly adherent to proven literature. And his personality is great! Really enjoyed him!"

Anthony Pitrowski, Oral Surgeon, Santa Maria, CA

"Prof. Cortellini has not only changed the way I will do periodontal surgery but the way I will practice periodontics and dentistry. Very highly recommended for all dentists who practice periodontics and to all periodontists."

Susan Wise, Periodontist, McKinnon, Australia

"Dr. Cortellini is a natural and passionate teacher. His course is methodical, organized and extremely informative. Following the course, he leaves you with a good course of action and a responsible way to integrate the new information and skills."

Donna Massoth, Periodontist, Seattle, WA
