Charles Khoury, D.M.D., M.S., D.U.
Implant Dentistry - Fundamentals & Beyond: Surgical and Prosthetic Protocols for
Predictable and Long-term Success

"This course made me think much more critically about the materials I use in my practice. I definitely see myself shifting away from biomaterials as I learn more from Dr. Khoury."
Pratiksha Amin, Periodontist, Stafford, TX

"Thank you Dr. Khoury for your wonderful passion and enthusiasm. I enjoyed the long term follow-ups in your presentation. I look forward to practicing what you taught us. Thank you!"
Miles Guyton, General Practitioner, San Jose, CA

"Another unique educational opportunity from IDEA. I am grateful to Dr. Khoury for providing the information that will bring my confidence and outcomes for my patients to the next level."
Denys Kovalchuk, General Practitioner, Mill Valley, CA

"IDEA is a great learning facility. Best CE in Dentistry"
John Harrington, General Practitioner, Orange Park, FL

"Great speaker, great organization, great other alumni"
Xavier Sitges, General Practitioner, Barcelona, Spain
